

Mag Wheel and Tyre Cleaner

Mag Wheel and Tyre Cleaner A powerful cleaner for all types of alloy wheels and tyres, used to remove brake dust, road grime, grease and dirt from wheels whilst restoring their original shine. Regular cleaning with Mag Wheel and Tyre Cleaner ensures that the brake residues and dirt do not bake themselves into the clear lacquer finishing coat on mag wheels.

APPLICATIONS

- Easy cleaning
- Maintains original appearance
- Prevents damage from brake dust, dirt, and road grime.
- Leaves behind a protective layer to retard adhesion of dirt and brake residues.

DIRECTIONS FOR USE

Trigger Spray

Hold the trigger spray 5– 10 cm away and apply an evenly onto COOL wheels. Allow foam to loosen dirt and brake residues for 1 minute. Use a soft wheel brush or cloth to work stubborn dirt and to access difficult areas. Flush wheel and tyre with water.

Aerosol Spray

Shake the can well before use. Spray the quick-breaking foam onto COOL mag wheels to easily lift dirt and brake residues. Can be sprayed at any angle even upside down (360° valve). Allow foam to loosen dirt and brake residues for 1 minute. Use a soft wheel brush or cloth to work stubborn dirt and to access difficult areas. Flush wheel and tyre with water.

PROPERTIES

Colour:	Colourless
Features:	<ul style="list-style-type: none"> • Appearance: Liquid • Relative density @25°C: 1.025 • pH @25°C: 11

PACKAGING

750 ml	Foaming Trigger Spray
400 ml	Aerosol

Revision: 260225
