

RAPIDKLEEN

Spanjaard Rapidkleen is a superior industrial cleaner and degreaser for metal parts and for the removal of glue residues.

APPLICATIONS

A specially developed cleaning fluid.

- * Cleans & degreasers metal parts, glass and ceramics.
- * Cleans glue residue.
- * Removes dust and surface contaminants.
- * Very fast drying.
- * Leaves no residue.

For cleaning of new or used bearings prior to grease filling, brake systems, engine parts, glued components etc.

WARNING - Check compatibility with rubber or plastic and fabric on small non-visible area before use. Do not spray onto painted surfaces. If sprayed onto painted surfaces, wash off with water immediately.

APPLICATION INSTRUCTIONS

- * Surface to be cleaned should be at ambient temperature.
- * Check compatibility on small non-visible area before use.
- * In upright position, spray contents liberally onto surfaces to be cleaned.
- * Stubborn residues may need mechanical assistance.
- * Collect excess solvents/dirt with a tray.
- * Wipe surface with a clean dry cloth or allow to air dry as appropriate.

TYPICAL PROPERTIES

Appearance	Clear, colourless
Odour	Solvent
Density, 25°C (ASTM D792)	0.76 g/ml

HANDLING AND STORAGE

Store undercover.
